

THE MONARCH BUTTERFLY MYSTERY

EMAANZPEEKABOO.ORG

FIZZA AND AHMED LOVED WATCHING MONARCH BUTTERFLIES
IN THEIR BACKYARD, BUT ONE YEAR, THEY NOTICED FEWER
BUTTERFLIES FLUTTERING AROUND. WORRIED, THEY DECIDED TO
INVESTIGATE THE REASON BEHIND THIS DECLINE

THEY READ BOOKS AND RESEARCHED ONLINE, DISCOVERING THAT MONARCH BUTTERFLIES DEPEND ON MILKWEED PLANTS FOR THEIR SURVIVAL. WITHOUT ENOUGH MILKWEED, MONARCHS STRUGGLE TO FIND FOOD AND LAY EGGS

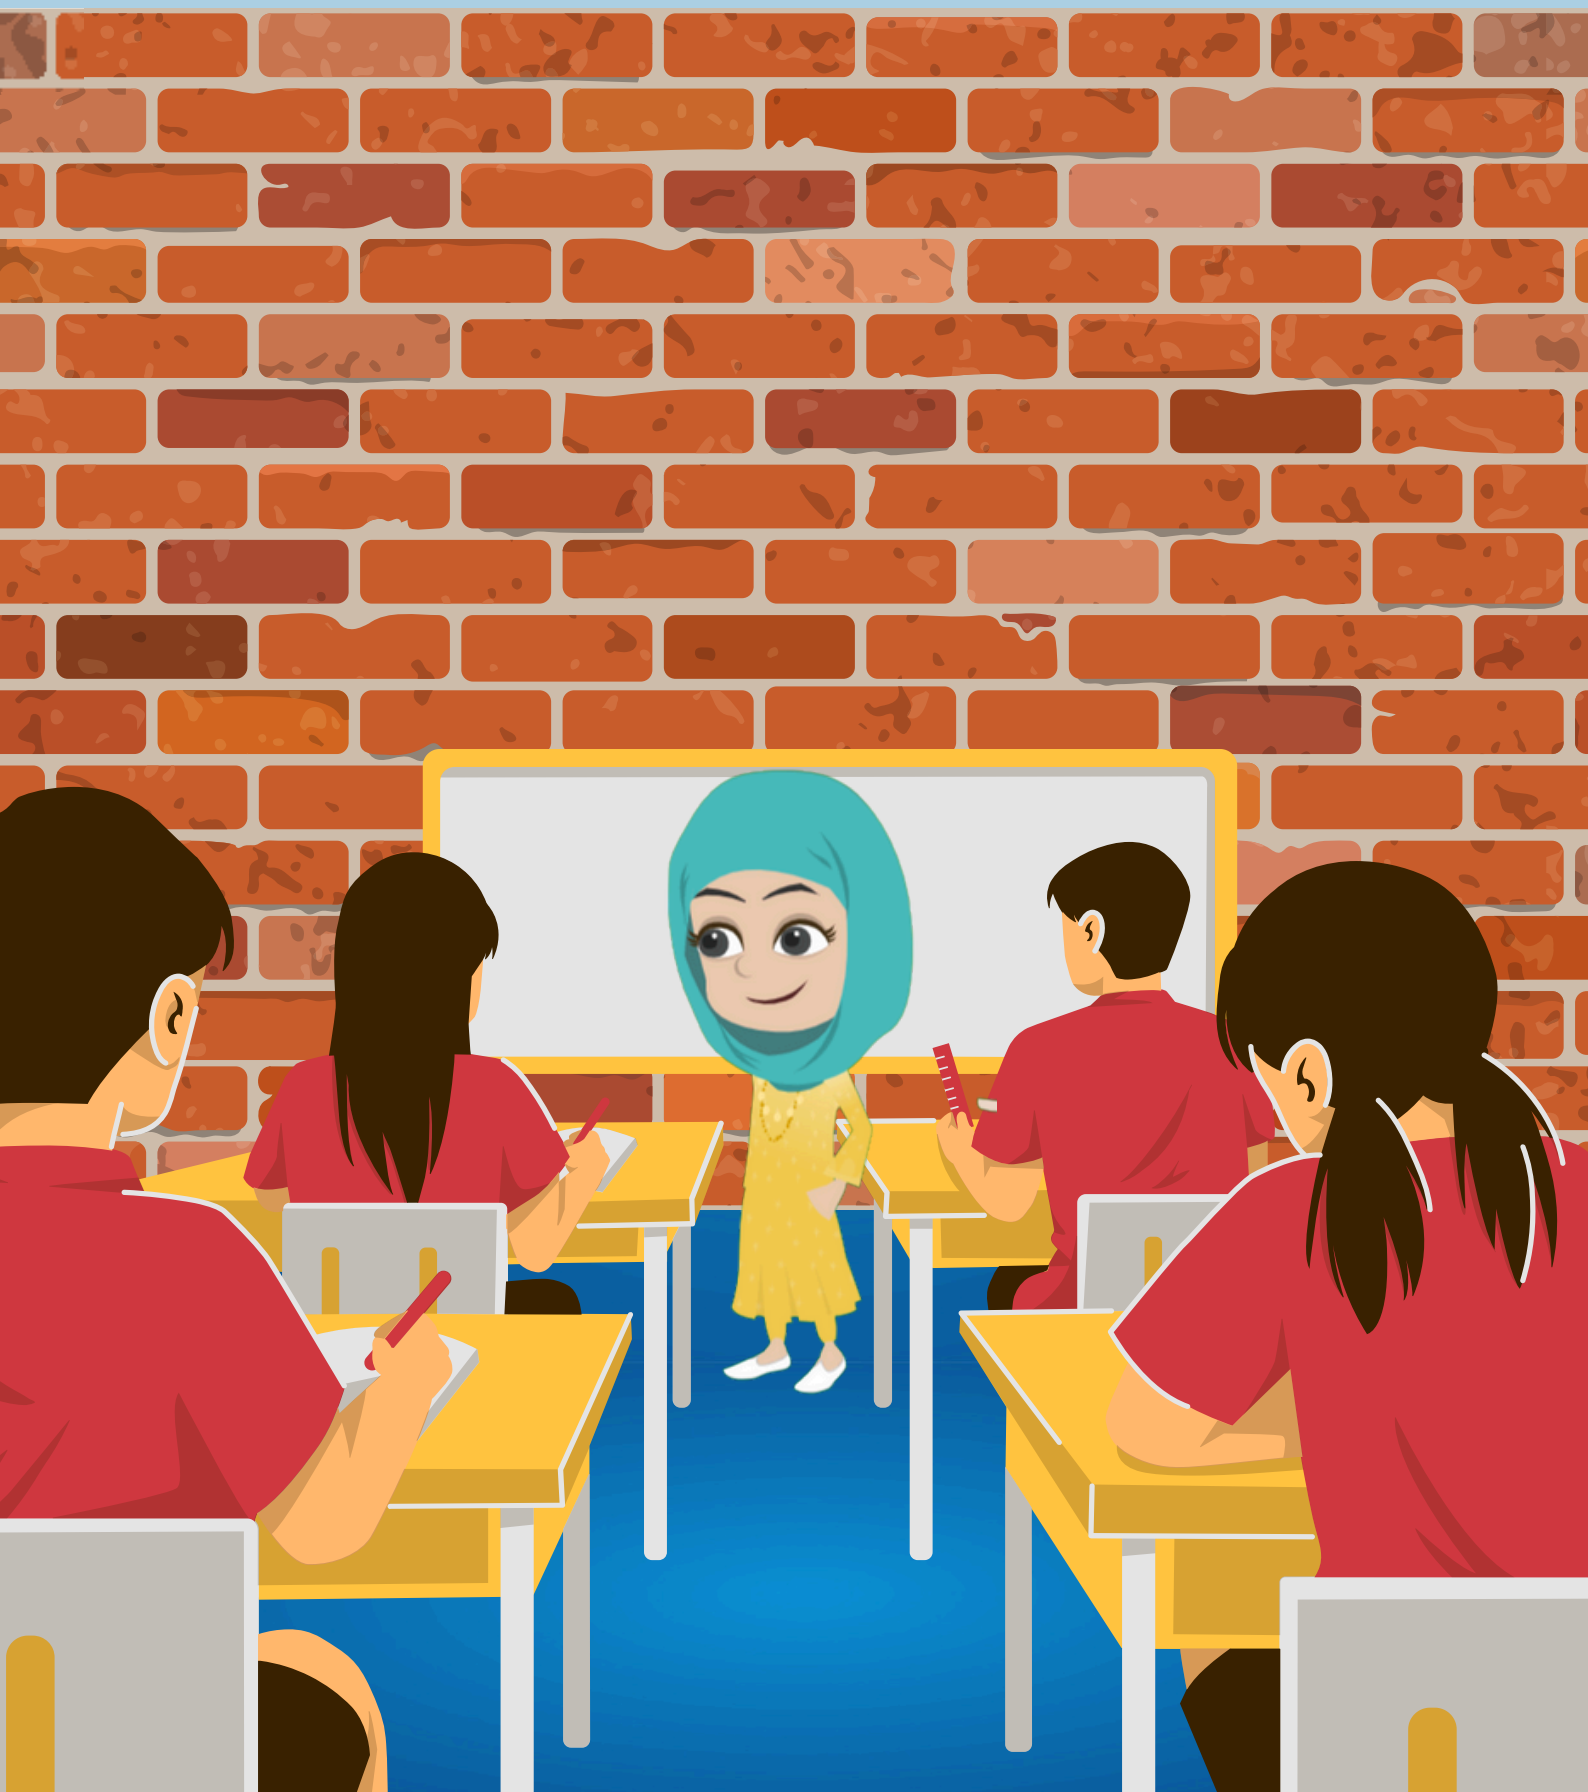

THEY READ BOOKS AND RESEARCHED ONLINE, DISCOVERING THAT MONARCH BUTTERFLIES DEPEND ON MILKWEED PLANTS FOR THEIR SURVIVAL. WITHOUT ENOUGH MILKWEED, MONARCHS STRUGGLE TO FIND FOOD AND LAY EGGS

FIZZA AND AHMED LOVED WATCHING MONARCH BUTTERFLIES
IN THEIR BACKYARD, BUT ONE YEAR, THEY NOTICED FEWER
BUTTERFLIES FLUTTERING AROUND. WORRIED, THEY DECIDED TO
INVESTIGATE THE REASON BEHIND THIS DECLINE

ENCOURAGED BY THEIR SUCCESS, THEY ORGANIZED A WORKSHOP AT SCHOOL TO TEACH THEIR FRIENDS ABOUT BUTTERFLY CONSERVATION. SOON, THEIR NEIGHBORHOOD JOINED IN, AND TOGETHER THEY CREATED A POLLINATOR-FRIENDLY CORRIDOR

LESSON

SMALL EFFORTS CAN HELP SAVE
ENDANGERED SPECIES
